PETITIONING THE COURT

- ☒ To modify the conditions of supervision as follows:

COMMUNITY CONFINEMENT: The person under supervision is required to participate in a community treatment, halfway house or similar facility for a period of up to 180 days, beginning at a time to be determined by the probation officer.

CAUSE

On November 6, 2019, Robert James Talbot, Jr. reported to the probation office for the intake process to begin his supervised release term. Upon arrival to the probation office, Mr. Talbot advised he was homeless and had no family ties to the Houston, Texas, area. He further reported his immediate family resides in upstate New York, but his relationship with them is strained. As such, Mr. Talbot has requested that he be allowed to reside at the halfway house until he is able to obtain employment and save money for his own residence. It is therefore recommended that Mr. Talbot's conditions of supervision be modified to include halfway house placement as requested. The probation office will closely monitor Mr. Talbot's employment and finances, and will immediately inform the Court if additional modifications are necessary or if he is able to release from the halfway house sooner than the requested 180 days.
